

THE RENDEZVOUS

THE MONTHLY NEWSLETTER OF THE BRIDGERLAND MEADOWS HOMEOWNERS ASSOCIATION

HOA Board Member Needed

The HOA Board is in need of one more member to sit on the HOA board. If you have ever wanted to get involved, now would be a great time! The position involves a monthly meeting that is held on a Saturday morning. It is a great way to learn how the community is governed and to serve your neighbors. Please contact Connie if you have any interest or know someone that you would like to nominate.

Facebook Page

I would like to encourage every owner and resident of Bridgerland Meadows to join our Facebook page. This is a great way to get information out to residents and for residents to receive information. As we have events happening in the community we will post them there. Also concerns or problems that need to be addressed can be posted there as well. Just search Bridgerland Meadows and ask to join.

Welcome to New Residents

Welcome to any new residents! Please stop by the HOA office and introduce yourself to Connie and make sure that she has all of your contact information. She can also answer any questions that you may have.

Annual HOA Meeting 2021 will be held on

Spring Clean Up Week

The HOA Board has decided that this year we will have a spring cleanup week rather than one day like we normally do. They have designated April 20-April 27th as the week that we focus on cleaning up our neighborhood. We will have the dumpster at the end of the cul de sac on 1530 North that residents can use for their own personal spring cleaning as well as for cleaning up around Bridgerland Meadows. Please pick a day and help out by picking up garbage, putting rocks back in place, picking up dog poop or anything else that you notice needs to be taken care of. If you need any supplies please contact Connie and she can help you with that. If that week doesn't fit into your schedule then feel free to do your own clean up any time you can! Thank you all for helping!

Pet Park and Registration

The dog park located by the storage units on the west end of 1530 N is up and running. We are waiting on the sign with the rules on it and a few other amenities such as benches but you may go ahead and use it. All dogs must be registered with the HOA and receive an HOA tag to use the park. Contact Connie to register your pet and receive the tag.
